

17th September 2020

Dear Families and Friends,

Visits to St Chads

I hope this letter finds you all well. I am pleased to announce that we have received a positive update regarding visits to St Chads.

As you know, visits to St Chads had been temporarily suspended as a result of increased numbers of confirmed COVID-19 cases in the local area.

We have since received an update from the Director of Public Health for Bath and North East Somerset Council, confirming visits to St Chads may now recommence.

The staff at St Chads will continue to ensure that all of the infection control measures are implemented and we would like to ask that you follow the guidance and procedures that have been put in place to maintain the safety of all our residents.

We thank you for your patience during this closure and look forward to welcoming you back to St Chads.

If you have any questions, then please get in touch with the staff at the Home or me at the Central Office or on my mobile 07715279195.

Best Wishes

Liz Page

Chief Executive
